

The Get-Absolutely-Led Agreement

A Binding Covenant Pertaining to the Voluntary Submission to High-Caliber Leadership

THIS AGREEMENT is entered into on this ____ day of _____, in the Year of Our Lord Two Thousand Twenty-Six, by and between NATHANIEL LEHRER (hereinafter, “the Leader”) and ANDREW McINTOSH (hereinafter, “the Party Hereby Consenting to Be Led”), collectively referred to as “the Undersigned.”

PREAMBLE

WHEREAS the Leader hereby commits to leading the Party with conviction, candor, and the complete and total absence of beating around any bush, shrub, or ornamental hedge; and **WHEREAS** the Party desires to be developed into the fullest, sharpest, most outrageously capable version of himself within the calendar year; **NOW, THEREFORE**, in consideration of mutual growth and the cessation of all comfortable mediocrity, the Undersigned agree as follows:

ARTICLE I — Acknowledgment of Forthcoming Discomfort. The Party acknowledges that, in the course of being led, he may experience sensations including but not limited to: *discomfort, mild perspiration, the urge to inspect his shoes, and the fleeting suspicion that he is being challenged on purpose*. Such sensations are foreseeable, anticipated, and shall not constitute grounds for breach.

ARTICLE II — Awkward Silences Clause. Both parties acknowledge that conversations conducted under this Agreement may include silences of indeterminate length. The Leader reserves the unconditional right to *let it sit there*. The Party agrees not to fill said silence with a joke unless the joke is, in fact, very good.

ARTICLE III — Suspension of the Bush-Beating Privilege. The Leader hereby forfeits, waives, and irrevocably surrenders any and all rights to soften, pad, hedge, qualify, or otherwise upholster feedback for the comfort of the Party. Feedback shall be delivered plainly, in love, and at full caliber.

ARTICLE IV — Anticipated Frustration. The Party may, on occasion, feel frustrated, stretched, or mildly annoyed with the Leader. The Party hereby pre-consents to such feelings, recognizing them as load-bearing components of growth and not as evidence of mistreatment.

ARTICLE V — Working Genius Honoring. The Leader shall, in good faith, route work toward the Party’s geniuses of Discernment and Invention, and shall avoid burying him in long, open-ended ponderings without decision pressure. Violation of this clause entitles the Party to one (1) raised eyebrow, redeemable in person.

ARTICLE VI — Mutual Greater Good. The Undersigned affirm that every uncomfortable conversation, pointed question, and stretching assignment arising under this Agreement is undertaken **for the greater good** — namely, the formation of the Party into a leader of consequence, and the formation of the Leader into one worthy of the trust placed in him.

ARTICLE VII — Term & Termination. This Agreement shall remain in force through the calendar year 2026 and may be renewed by mutual nod. Termination shall require either (a) the written consent of both parties, or (b) one (1) honest, face-to-face conversation — whichever is harder.

IN WITNESS WHEREOF, the Undersigned, being of sound mind and unusually high ambition, do hereby set their hands and signatures below, fully understanding that, by signing, they agree to **get absolutely led**.
